Delta Care

Caring is our business

Welcome to Rivington Park Nursing and Care Home

It is our pleasure to welcome you to Rivington Park Care Home situated in the heart of the Chorley community.

When your loved one requires full-time residential care, it can be a stressful and emotional time for everyone. At Rivington Park, we provide the same loving care you would, focusing on improving the lives of adults who need nursing support.

Our person-centred approach ensures each resident receives compassionate care and support for healthy, independent living. With a dedicated, highly skilled team working together, contribute towards a safe, nurturing, and enriching environment for our service users.

Who We Are

Delta Care Ltd is a CQC-registered, award-winning provider of care and support services across the North West. Serving the community since 1992 in partnership with Lancashire County Council, we now operate 7 branches, 2 care homes, and a day centre. We're dedicated to understanding and providing support tailored just for you.

Our Core Values

- ▶ Everyone will be treated with respect and dignity at all times, and your individuality will be acknowledged.
- ▶ We support individual choice & personal decision-making. We respect and encourage the right of independence.

- ▶ Your individual uniqueness will be recognised and will be treated with dignity & respect.
- ▶ We aim to offer fully trained & skilled staff

Nursing and Dementia Care

At Rivington Park, we are dedicated to enhancing our residents' quality of life through expert nursing care and personalised support. Our highly skilled staff provide 24/7 care for residents with complex needs, working closely with you and your loved one to create and regularly review individual care plans.

We are especially committed to sensitive, compassionate care for those living with dementia, with our team fully trained to help residents live active, fulfilling, and meaningful lives.

Tailored Activities

Activities are a key part of daily life at Rivington Park. Our dedicated in-house Activity Coordinator creates personalised schedules tailored to each resident's interests and needs. We focus on promoting both physical and mental well-being, offering engaging opportunities that bring joy, stimulation, and a sense of fulfilment to everyday life.
